

## **H. Res. 46**

### ***In the House of Representatives, U.S.,***

*February 8, 2005.*

Whereas mentors serve as role models, advocates, friends, and advisors to youth in need;

Whereas mentoring is a proven, effective strategy that matches a caring, responsible adult with a child to provide guidance and build confidence, stability, and direction for that child;

Whereas research has shown that mentoring has a definitive impact on young people by increasing attendance at school, improving rates of high-school graduation and college attendance, and decreasing involvement with drugs, alcohol, and violent behaviors;

Whereas there are over 17.6 million children in this country who need or want a mentor, yet just 2.5 million young people are in mentoring relationships, leaving a “mentoring gap” of 15.1 million young people;

Whereas the establishment of a National Mentoring Month would emphasize the importance of mentoring and recognize with praise and gratitude the many Americans already involved in mentoring;

Whereas a month-long celebration of mentoring would encourage more organizations—such as schools, businesses,

faith communities—and individuals to get involved in mentoring; and

Whereas the celebration of said month would, above all, encourage more individuals to volunteer as mentors, helping close our Nation's mentoring gap: Now, therefore, be it *Resolved*, That the House of Representatives—

(1) supports the goals and ideals of National Mentoring Month;

(2) praises the millions of caring adults who have already committed their time and energy to mentor a child; and

(3) supports efforts to recruit more mentors in the United States.

Attest:

*Clerk.*
